

TENUTA
MONTAUTO

VERMOUTH

Grapes: 100% Vermentino

Alcohol content: 16°

Characteristics: Our Vermouth is born in Tuscany at Tenuta Montauto, in one of the most natural and unspoiled corners of Maremma.

Our Vermentino wine is put in infusion for 30 days with Gentian, Chamomile, Cardamom, Coriander and herbs such as Mint, Lemon Balm and Eucalyptus.

This is how an innovative and unique Vermouth in its land is born, with aromatic characteristics.

Pairings: Perfect to sip neat or in combination with our wines as a summer cocktail; excellent with a blue cheese or perfect also as an after dinner with an artisan panettone.
